Practice Plan

(This is course design!)

Course Learning Goals

What do they need to know or be able to do to be successful in the finals?

Behavioral Learning Objectives

What are you doing in practice today?

- What specific skill/information are you focusing on?
- What do they have to do to master it?

Content

How are you delivering the information, coach?

Think about:

- Engagement
- Application
- Motivation
- Emotion
- Variety

Learning Activities

What/how are they practicing?

- How are they receiving feedback about their strengths and weaknesses?
- Where are they learning from mistakes?
- Trying different approaches?
- Taking risks?

Standards-based Assessment

What does "game day" look like?

- How have they prepared?
- What is your attitude towards them?
- Do you know what to expect?
